Healthcare Resources: Access and Funding for Autism

Navigating healthcare insurance systems can be a daunting task for families. Securing funding for autism services can be challenging. Autism New Jersey can help. Join us for a free 2 hr. workshop that will provide a solid foundation of basic healthcare information, including eligibility criteria and paperwork requirements. We will discuss a number of ways to seek funding for treatments throughout an individual's lifetime. Participants can learn how to maximize their health coverage, navigate the systems, master appeals procedures and gain coverage under other programs such as Medicaid and Medicaid-funded waivers.

Presented by **Bob Titus**, Autism New Jersey's Public Policy Director
& **Deb Charette**, Autism New Jersey's Public Policy Coordinator

To Register: Mail or fax the completed form on back to Autism New Jersey, attention **Deb Charette**, or complete an online form at www.autismnj.org.
