Report on the Financial Statements

We have audited the accompanying financial statements of Autism New Jersey, Inc., which comprise the statements of financial position as of September 30, 2016 and 2015, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above presents fairly, in all material respects, the financial position of Autism New Jersey, Inc. as of September 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 12, 2017 on our consideration of Autism New Jersey, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Autism New Jersey, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2016 and 2015

Note 1 **Nature of Organization**

Autism New Jersey, Inc. ("ANJ") was incorporated to assist families, individuals and agencies concerned with the welfare and education of children and adults with autism. Funding for ANJ is derived from contributions and State of New Jersey contracts. ANJ provides a variety of programs including information and advocacy, parent and professional education and support services, which promote the general well-being of individuals with autism living in New Jersey.

Autism New Jersey Charitable Foundation, Inc. is an affiliated organization formed during 2005 to promote the interests of people with autism exclusively by raising funds on behalf of and distributing funds to ANJ. These entities are collectively referred to as the "Organization" for the year ended September 30, 2013.

Effected on September 13, 2013, by written consent of all its members entitled to vote thereon, Autism New Jersey Charitable Foundation, Inc. elected to dissolve. A Plan of Dissolution was duly adopted by the Corporation on September 25, 2013. All assets of the Corporation have been fairly applied, to the extent possible, to pay the liabilities. The Certificate of Dissolution was filed and recorded with the State of New Jersey on October 15, 2013. The remaining assets of \$826,442 were transferred over to ANJ by September 30, 2013.

Note 2 **Summary of Significant Accounting Policies**

Basis of Accounting

The accompanying financial statements of ANJ have been prepared using the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America ("GAAP") as applicable to not-for-profit entities.

Basis of Presentation

The financial statement presentation follows the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 958, Financial Statements of Not-For-Profit Organizations. Under ASC 958, ANJ is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. ANJ has no permanently restricted net assets, and its unrestricted net assets represent resources over which the board of trustees has discretionary control to use for operations, and are not subject to donor composed restrictions.

Cash and Cash Equivalents

For purposes of the statement of cash flows, ANJ considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

AUTISM NEW JERSEY, INC.
NOTES TO FINANCIAL STATEMENTS

Note 2 **Summary of Significant Accounting Policies (cont'd)**

Investments

Investments are reported at fair value. ASC 820, Fair Value Measurements, provides a framework for measuring fair value under GAAP, and applies to all financial instruments that are being measured and reported on a fair value basis.

ASC 820 sets out a fair value hierarchy and defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Fair value hierarchy is defined as follows:

Level 1: Inputs that reflect unadjusted quoted market prices in active markets for identical assets or liabilities that the Association has the ability to access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including inputs in markets that are not considered to be active.

Level 3: Inputs that are unobservable for the asset or liability and that include situations where there is little, if any, market activity for the asset or liability. The inputs into the determination of fair value are based upon the best information in the circumstances and may require significant management judgment or estimates.

Realized and unrealized gains and losses are included in investment income in the statements of activities and changes in net assets. Purchases and sales of securities are recorded on a trade-date basis. In calculating realized gains and losses, the cost of securities sold is determined by the specific-identification method. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment assets reported in the Statements of Financial Position.

Program Supplies:

In August 2016, the Organization entered into three Donation of Property Agreements with Amazon.com for the Organization to distribute and/or use, but not resell, the products in accordance with its charitable mission. Each item was priced by Amazon, recorded by the Organization at 80% of the value provided by Amazon and recorded as Program Supplies (Current Asset) with a corresponding charge to specific program Revenue. Items donated or used by the Organization are recorded as specific program Expense and Office Supplies, respectively.

AUTISM NEW JERSEY, INC.
NOTES TO FINANCIAL STATEMENTS

Note 2 **Summary of Significant Accounting Policies (cont'd)**

Property and Equipment:

Property and equipment is recorded at cost. Depreciation is being provided for over the estimated useful lives of the assets of five to seven years utilizing the straight-line method.

Maintenance and repairs are charged to operations when incurred. Expenditures that substantially increase estimated useful lives are capitalized. When property and equipment is sold or otherwise disposed of, the asset accounts and related accumulated depreciation account is relieved and any gain or loss is included in the statements of activities and changes in net assets.

Contributed property and equipment is recorded at fair value at the date of donation. When donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support.

Allowance for Doubtful Accounts:

ANJ reviews the collectability of its receivables annually. At September 30, 2016 and 2015, no allowance for doubtful accounts was deemed necessary.

Revenue and Support Recognition:

In accordance with ASC 958, Financial Statements of Not-For-Profit Organizations, ANJ reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities and changes in net assets as net assets released from restrictions. However, restricted contributions whose restrictions expire or are otherwise satisfied within the period of receipt are reported as unrestricted revenues in the statements of activities and changes in net assets.

Contributions, including unconditional promises to give, are recorded when made at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated cash flows, discounted at a rate commensurate with the risks involved. Amortization of the discount is included as an offset against contributions revenue.

Conference fees, community events, membership dues and program fees are recognized during the period in which they are earned. Conference fees, community events, membership dues and program fees received in advance are deferred until earned and reflected as deferred revenue in the statement of financial position. The primary components of Deferred Revenue for the years ended September 30, 2016 and 2015 are advanced receipts associated with ANJ's 34th and 33rd annual Education Conference held in October 2016 and 2015, and a Gala function held on November 5, 2015 to commemorate the Organization's 50th anniversary.

Note 2 **Summary of Significant Accounting Policies (cont'd)**

Revenue and Support Recognition (cont'd)

Contributions of donated noncash assets to be used to raise funds at the annual auction are recorded at their fair values in the period received. These items are donated and then sold at the annual auction, and the proceeds of this auction in excess of the fair value previously recorded are included in special events in the statements of activities and changes in net assets. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation are recorded at their fair values in the period received. During the years ended September 30, 2016 and 2015, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded.

Revenue from the Federal grant is recorded when expenditures are incurred and are billable to the government. The State grant is a monthly electronic funds transfer, which is paid in twelve increments.

Allocation of Expenses:

Expenses are allocated between program services, management and general, and fund-raising based on historical percentages using the direct cost method, or other reasonable basis consistent with the benefit derived.

Income Taxes:

The Internal Revenue Service ("IRS") has determined that ANJ is exempt from federal income tax under Section 501(c)(3) of the United States Internal Revenue Code (the "Code") and from state and local income taxes under comparable laws. As a not-for-profit entity, ANJ is subject to unrelated business income tax ("UBIT"), if applicable. For the tax years ended September 30, 2016 and 2015, the ANJ did not owe any UBIT.

Management has evaluated ANJ's tax positions for all open tax years and has concluded that ANJ had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of GAAP. Generally, ANJ is no longer subject to income tax examinations by U.S. Federal, State or Local tax authorities for years before 2012, which is the standard statute of limitations look-back period.

AUTISM NEW JERSEY, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2016 and 2015

Note 2 **Summary of Significant Accounting Policies (cont'd)**

Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Advertising:

Advertising costs for the years ended September 30, 2016 and 2015 amounted to \$6,256 and \$13,983 respectively, and were expensed as incurred.

Concentration of Market and Credit Risks:

Financial instruments that potentially subject ANJ to concentrations of credit risk consist principally of cash and cash equivalents and investments.

ANJ maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. ANJ has not experienced any credit risk-related losses. At September 30, 2016 the balance at the Financial Institution exceeded the FDIC insured limit by \$36,112. In order to control market risk, ANJ has an investment committee that oversees its investment portfolio and performs an ongoing evaluation of its investment manager. In the fiscal years ended September 30, 2016 and 2015, approximately 100% of ANJ's investments were held by one investment manager.

Subsequent Events:

ANJ evaluated subsequent events occurring after the date of the financial statements to consider whether or not the impact of such events needs to be reflected and/or disclosed in the financial statements. Such evaluation is performed through January 12, 2017, the date the financial statements were available for issuance.

Note 3 **Investments**

The following table summarizes ANJ's investments measured at fair value on a recurring basis segregated by the level of valuation inputs within the fair value hierarchy utilized to measure fair value as of September 30, 2016 and 2015:

Note 3 **Investments (cont'd)**

Investments in securities traded on a national securities exchange are stated at the last reported sales price on the day of valuation. Securities traded in the over-the-counter market and listed securities for which no sale was reported on that date are stated at the last quoted bid price. Investments in regulated investment companies or collective investment funds that do not trade on an exchange are valued at the net asset value per share/unit on the valuation date. U.S. government debt and corporate bonds are valued based on the last reported bid provided by broker-dealers. Certificates of deposit are valued using a matrix based on interest rates.

For the years ended September 30, 2016 and 2015, investment income consists of the following:

	<u>2016</u>	<u>2015</u>
Interest and Dividends	\$ 36,221	\$ 31,652
Net Realized Gains	16,455	39,418

Net Investment Income	<u>\$ 109,362</u>	<u>\$ 10,870</u>

Note 4 **Contribution Receivable**

In January 2011, the Charitable Foundation was awarded a \$50,000 unrestricted gift pledge payable over a five year period at \$10,000 per year. As of September 30, 2016 and 2015, \$50,000 and \$40,000, respectively, has been received. The Donor has paid the remaining \$10,000 in November 2015.

In February 2015, the Organization received an Unrestricted Pledge amount of \$35,000, payable in three installments. In September 2016 and November 2015, \$10,000 and \$15,000 of the Pledge was received. The final \$10,000 payment is due October 1, 2017.

ANJ has elected not to record the remaining pledge using present value of estimated cash flows at a discounted rate. This amount has been deemed immaterial to the financial statements taken as a whole.

Note 6 Defined Contribution Plan

ANJ maintains an incentive savings Section 403(b) defined contribution plan for substantially all employees. The plan provides that eligible employees may defer payments of taxes on a portion of their salary as allowed by Section 403(b) of the Code. Participants vest immediately in their contribution. ANJ does not contribute funds to this plan.

ANJ also maintains a Simple IRA plan that covers all employees who have attained age 18 and completed one year of service with ANJ. The plan provides that eligible employees may defer payment of taxes on a portion of their salary as allowed by Section 401(k) of the Code. The employer's matching contributions are equal to 100% of the participant's elective deferrals up to 3% of the employee's eligible compensation. For the years ended September 30, 2016 and 2015, pension expense was \$22,500 and \$19,343, respectively.

Note 7 Commitments and Contingencies

In February 2010, the Organization entered into an operating lease agreement (the "lease") for new building space with monthly lease payments of \$7,926 that commenced August 1, 2010 and expired February 29, 2016. The lease is also subject to escalation clauses for taxes and other building operating expenses. The lease provides for seven months of free rent throughout the duration of the lease term. Deferred rent payable of \$4,461 and \$-0- is the difference between the cumulative amounts recorded for occupancy costs on a straight-line basis over the term of the lease, as compared to the cumulative required amounts paid under the lease as of September 30, 2016 and 2015, respectively.

Rent expense was approximately \$92,000 and \$91,000 for the years ended September 30, 2016 and 2015, respectively. In addition, ANJ leases equipment under various non-cancellable operating leases that expire on various dates through fiscal year 2016.

Note 7 **Commitments and Contingencies (cont'd)**

Future minimum payments on all non-cancellable lease obligations are as follows:

Year Ending September 30,

2016	\$ 97,136
2017	<u>39,630</u>
	<u>\$136,766</u>

In June 2015, the Organization agreed to a Third Amendment to Lease to extend the Term of the Lease effective March 1, 2016 and expiring June 30, 2021, at an annual rate of \$95,112 (monthly installments of \$7,926), with no obligation to pay rent for four of the months throughout the lease term.

ANJ has received funds from the State of New Jersey that may be subject to audit by the funding sources. Such audit might result in disallowance of costs submitted for reimbursements. Management is of the opinion that such cost disallowance, if any, will not have a material effect on the accompanying financial statements for such potential claims.

Note 8 **Temporarily Restricted Net Assets**

Temporarily restricted net assets of \$ - 0 - at September 30, 2016, are comprised of amounts that are restricted for education and time-restricted to future periods.

Note 9 **Concentration of Revenue**

During the years ended September 30, 2016 and 2015, the Organization received approximately 18% and 23%, respectively, of its support and revenues from the State of New Jersey, Department of Children and Families. That grant was effective January 1, 2013, and will renew annually starting July 1, 2013, totaling \$450,000. Any significant reduction in the level of support from the State of New Jersey, and the Treasury and Department of Children and Families could have a material adverse effect on the Organization's programs.

On January 2, 2014, ANJ was approved by the New Jersey Department of Health for a new Grant for Autism, up to a total of \$250,000, for the period July 1, 2014 through June 30, 2015. This contract has renewed effective July 1, 2016 through June 30, 2017 up to a total of \$250,000. During the years ended September 30, 2016 and 2015, approximately 10% and 13%, respectively, of its support and revenues was received from this Agency. For the years ended September 30, 2016 and 2015, the \$60,588 and \$58,216 State Grant Receivable was recorded as Government Grants on the Statement of Activities and Changes in Net Assets.

Note 10 **Other Matter**

During the year that ended September 30, 2015, ANJ initiated a fundraising campaign (Campaign), which continued through the year ending September 30, 2016 to commemorate its' 50th anniversary. ANJ raised contributions, net of expenses, of \$23,322 and \$65,473 related to this Campaign for the year ended September 30, 2016 and 2015, respectively. In conjunction with the Campaign, ANJ held a 50th anniversary dinner/dance (The Gala) on November 5, 2015 as a means to raise additional funds in recognition of this 50th anniversary milestone. \$205,600 was received during the year for the Gala and has been classified as Deferred Revenue as of September 30, 2015. Furthermore, \$81,328 was spent during the year for the Gala and has been classified as Prepaid Expenses as of September 30, 2015. The Organization recorded a net profit from the Gala of \$190,143, on gross revenues of \$375,217, for the year ended September 30, 2016.

In October and November 2015, the Organization entered into a Memorandum of Understanding, an Assignment and Assumption Agreement and a Bill of Sale, with Ride for Autism, Inc., to assign and transfer to the Organization an event known as Ride for Autism, which is a one-day charity bicycle tour, whose purposes include raising funds for the Organization and also raising community awareness about autism. Under the terms of the above documents, the Organization agrees to operate and run the event, including assumption of liabilities, and continue its mission of fundraising and community awareness. The event was held on June 11, 2016 and recognized a net profit of \$38,560 on gross revenues of \$83,863, for the year ended September 30, 2016.

**Report on Internal Control Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed in Accordance with
*Government Auditing Standards***

INDEPENDENT AUDITORS' REPORT

**To The Board of Trustees
Autism New Jersey, Inc.
Robbinsville, New Jersey**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Autism New Jersey, Inc. ("ANJ") as of and for the year ended September 30, 2016, and the related notes to the financial statements, which collectively comprise ANJ's basic financial statements, and have issued our report thereon dated January 12, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered ANJ's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ANJ's internal control. Accordingly, we do not express an opinion on the effectiveness of ANJ's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of ANJ's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether ANJ's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
