An Introduction to Guardianship and Special Needs Planning

Planning for the future of a child with autism can be complicated. Who should be designated as the guardian? Should there be bonds and savings accounts in the child’s name? Is an ABLE Account appropriate? This workshop will help participants understand guardianship, power of attorney, and medical proxy as well as describe ways to plan for future financial needs.

Presented by: Claire Wieczerak, MSW, Autism New Jersey

Hosted by: Greenway Family Success Center

Thursday, March 26, 2020
5:30pm to 7:30pm

535-537 New Brunswick Avenue
Fords, NJ 08863
